B. INSTRUCTIONS TO STUDENTS

The District Ministerial Studies Board (DMSB) aids and guides all candidates on its district in preparation for the various forms of ministry. The board's responsibility extends to licensees who are enrolled in colleges as well as those enrolled in district credentialing programs. Only the persons who are properly enrolled (*Manual* 425.1, *Sourcebook on Ordination* 439.1) can be served by the DMSB. Enrollment forms can be found on page 39 of the *Sourcebook*.

There are two ministerial courses administered by the DMSB. They are elder track and deacon track. Ministers will not be ordained without having completed their respective courses.

The *Sourcebook on Ordination* can be downloaded from:
<http://nazarenepastor.org/ClergyEducation/TheCall/tabid/56/Default.aspx>

Modes of Study

The recommended mode of preparation for full-time Christian service is by attending a Nazarene liberal arts college or university including the Nazarene Bible College and, if possible, Nazarene Theological Seminary. For those who are unable to meet this recommended mode of preparation, permission from the DMSB must be obtained to pursue the Modular Course of Study.

Modular Course of Study

The modular course of study is a model curriculum to fulfill the educational requirements for ordination in the Wesleyan-holiness tradition when students are unable to attend a Nazarene liberal arts college, university, Bible College or Nazarene Theological Seminary. The modular course of study is available through college extension programs, online and district-directed programs. The modular course of study is available online through <http://www.nnu.edu/cos/> and <http://online.nbc.edu/>.

Candidates must complete one-fourth of a validated course of study for ministers, or

have passed the Nazarene history and polity courses and five additional courses in order to be licensed by the district assembly (*Manual 427.1*).

College Students

College students are responsible to submit to the board documented evidence of academic standing (official transcript) in harmony with *Manual 425.1*, *Sourcebook 437.5*.

College students are reminded to plan their curriculum in harmony with *Manual 425.1*. Transcripts will be evaluated by the DMSB, and no requirements as stated in the *Manual* will be waived.

A college/university student must complete one-fourth of a validated college/university course for ministers in order to request a license from the district assembly (*Manual 427.1*).

Procedure

Every district-licensed minister not graduated from the course of study must meet with the DMSB each year. From the granting of the first district license, a period of 10 years is allowed for the completion of a validated ministerial course of study, by whatever mode (*Manual 427.4*, *Sourcebook 437.11*).

V. Reports

A. DISTRICT OFFICERS

1. District Superintendent

To our esteemed General Superintendent Jesse C. Middendorf, Distinguished Southern Nazarene President Loren P. Gresham, honored guests, delegates and friends, I am pleased to bring my second report as Interim Superintendent. Although it is my second report to the district it is the 61st report of a district superintendent to the annual gathering.

One year ago at our 60th anniversary assembly we were focused on preparation for the celebration of our Centennial as an organized body of believers dating back to 1908. At this assembly we make note of the fact that the work and ministry of the Church of the Nazarene began in Western Oklahoma in 1909.

Thus, 2009 is the Centennial year of celebration for Oklahoma Nazarenes. We stand in awe today of the history and unswerving devotion which captured the vision of the early leaders. It is noteworthy that Altus, Erick and Marlow were among the first churches in Oklahoma with the beginnings dated 1909. It is interesting to note that the churches started in smaller communities and spread to the larger cities.

The ministers and lay persons of Southwest Oklahoma have been served and led by dedicated superintendents: W. T. Johnson (1948 – 1976); M Bert Daniels (1976 -1985); and Carl B. Summer (1985 – 2007). It has been a joyful and privileged responsibility for Genell and me to serve and minister with this great family of pastors and lay persons for these two years.

Although this assignment came quite unexpectedly it has brought us to a place of connection and renewed commitment with an extended family that did much to shape my youth and chart a course for a lifetime of ministry. It has been most rewarding to experience the faithfulness of God and the unity of the district throughout the past year.

Together we have witnessed reconciliations in certain areas and renewed commitment to partnerships that are bringing glory to God and new vision for the harvest.

A REFLECTION

In my report to you last year we focused much attention on the possibilities of uniting Northwest Oklahoma and Southwest Oklahoma districts. Meetings were held with the District Advisory Councils and town meetings were conducted across the district. Further discussion, however, was tabled in December by action of the District Advisory Board. However, we will continue to reach across district lines partnering in ministries and believing God for His blessings and providence throughout Oklahoma.

IN MEMORY

The Memoirs Committee report will honor those who passed from this life, however, we are reminded today that Dr. Lloyd Glenn McArthur, outstanding layman of the district who served on District, SNU and General Boards as well as a most faithful member of the Ardmore Church left a legacy of love for God, family and the church. Dr. John A. Knight, General Superintendent, Educator, Pastor and friend went to be with the Lord leaving us a model of Christian holiness.

Two of our parsonage families suffered tragic losses this year. Tuttle Pastor Glenn and Cheri Pack experienced the loss of Aaron, their 26 year-old son. Clinton Pastor Rick and Lynda Brewster suffered the loss of their 28 year-old son, Jason. Our hearts reach out to each of these families with love and prayerful thoughts.

FAMILY GATHERINGS

**The first event was the Children's Camp, led by Cheryl Seymour and a superb group of sponsors. The American Indian Camp Meeting was held at Cache with good participation and ministry led by Rev. Julian Gunn. The Regional Pastor's Prayer Summit convened at SNU. The Teen Camp, led by NYI President Blair Spindle and supportive workers, experienced a great week with over 200 teens. Both the children and teen events were held at Camp Bond.

**The district family met together at Salyer Lake for the annual Family Week of Camp meeting services. The scenic site provided a marvelous setting for families coming for the sole purpose of drawing near to God and being enriched by positive relationships. The atmosphere of praise was led by Adam's Voice and the preaching of Evangelist Stephen Manley was straightforward and biblically true to the centrality of the holiness message. Many persons received help in the canvas tabernacle overlooking Salyer Lake. Once again people responded spontaneously with financial commitments that reached approximately one hundred thousand dollars in cash and pledges.

**Sunday, October 5, was the DAY OF CELEBRATION as we united in the local churches across the district with our GLOBAL FAMILY. What a day it was as we were remembering our roots and renewing our commitment to be His church in a broken world. We had been served with excellent resources that had been professionally prepared with visuals and materials that gave us points of reference. We continue to recognize that "Out of Many ONE and out of ONE Many".

**The National Center for Training of United States Postal Workers at Norman was the location of the Ministers and Spouses Retreat, October 9-11. The awesome facilities coupled with the hotel accommodations provided a terrific place to gather. Approximately 100 persons attended the two day/night event. The ministry of the Toler Brothers in song and the spoken word by Mark Hollingsworth were instrumental in leading us in times of renewal.

It was heartwarming to enjoy breaking bread and building relationships at the big round tables. Thanks to every local church board that understands the importance of sponsoring our ministerial leaders for such events. President Loren Gresham brought special greetings at the retreat.

The ministerial team including significant lay leaders gathered for the District Christmas Dinner at Oklahoma City Trinity Church. The Christmas atmosphere was perfect and the attendance was outstanding. The program was designed to center our attention on the true meaning of Christmas with the theme "Follow the Star". The food, fellowship and friendship made for a great evening that further prepared our hearts for Christmas.

**Beyond these major gatherings there have been special events of children and teens including quizzing and training times. Also, the Prime Time Spring Fling was well attended. The event was led by Directors Paul and Nettie Stroud. Dr. Tom Barnard was the special speaker fore the occasion held at Mustang.

LEADERSHIP TEAM

**The district is extremely well served by leaders that have worked well together. Sunday School was led for the major part of the year by SS Chair Danny Goddard. In fact, he had been our district leader for Sunday School related ministries for the past seven years. Danny and Sandie moved to NewCastle, Indiana, to pastor First Church. Hardy Powers III, was appointed to assume responsibilities as our District Chairperson. He has a great team of directors and board members with a renewed focus to reach, teach and disciple new persons for Christ and the church.

Linda Short has served in recent years as our NMI District President. She, along with a terrific NMI Council, continues to give visionary leadership including District tour/special rally type services with Missionary speakers. Furthermore, special children emphasis events help stir young hearts with an awareness of the callings of God to be mission minded.

Blair Spindle, District NYI President, provided youthful activities with purpose that

good news, lifting the fallen, feeding the hungry, caring for the needy...making Christlike disciples.

Thirty-five of our pastors have been able to report one or more individuals coming to Christ and uniting with the church. Two hundred forty-two persons identified with our local churches and district family as New Nazarenes.

It is heartwarming to have received reports of salvation Sundays, revival, victory times where people have come to Christ. Holiness is being preached and people are experiencing the sanctifying grace of God. Hungry are being fed. Homeless are being given shelter. God is at work in SW Oklahoma through special ministry centers.

A unique ministry takes place near the campus of Oklahoma University. For more than ten years now David and Rhonda Kyncl have led this ministry of outreach to university students. Craig and Anita Shepherd have also joined the staff of OUNSC in their shared duties with Norman Community Church of the Nazarene.

We are blest in Southwest Oklahoma with a diversity of people groups including American Indians, an ever growing community of Latinos, a basically untouched community of Blacks that need the gospel message, Koreans and the major portion of the population which is Anglo. We give praise to God for major success in some of these areas, however, there is so much that can and must be done to embrace a culture that needs the message of hope.

Praise notes come from New Life Community Church, now known as ROC (Reaching Our City) Church of the Nazarene. Pastor Richard Schneberger and congregation celebrated the 10th Anniversary of the church and ROC on April 25/26. Dr. Ron Benefiel was the special speaker.

OKC Penn. Ave/OKC Compassion Center, led by Pastor Richard Bond, continues to impact the lives of the broken, hungry and homeless. Partnering with churches of our district such as Mustang that gave more than \$11,000 in one Sunday to the ministry, OKC First Church is also very involved in sharing personnel and commitment.

Love Links, led by Executive Director Marilyn Stark, in partnership with OKC First Indian Church with Pastor Wayne Stark, is an agency sponsored and supported by churches across district lines with a common goal to reach people at the point of their need. Good things are happening.

The most recent Compassionate Ministry Center is the Western Oklahoma Family Care Center, sponsored by Pastor Jesse McKinnon and Elk City Nazarenes. Doors are being opened for redemption through each of these churches and special ministries.

I heard Dr. Ron Benefiel recently quote from the minutes of the congregation of Los Angeles First Church of the Nazarene. The mission statement of that first Church of the Nazarene is posted in a significant place in the church. It spoke to the heart of the gospel then and it calls us to mission and purpose today:

We seek the simplicity and the power of the primitive New Testament church. The field of labor to which we feel called is in the neglected quarters of the cities and wherever else may be found waste places and souls seeking pardon and cleansing from sin. This work we aim to do through the agency of city missions, evangelistic services, house to house visitation, caring for the poor, comforting the dying. To this end we strive personally to walk with God and to invite others to do so.

Los Angeles – October 30, 1895

This statement of purpose was made 114 years ago; however, it seems to echo the words and mandate of the One Who gave us the Great Commission. We have a cause. We have a Savior. We have a Sanctifier. We have a Comforter. We have a Teacher. We have a field of harvest that is desperately in need of workers. We have a promise of a never failing God Who will go with us.

It is my earnest prayer that one year from now, if Jesus delays His coming, that Southwest Oklahoma Nazarenes will not only be able to celebrate awesome stewardship in giving but that this great district family will rejoice in new people coming to Christ for pardon and heart cleansing.

We have been challenged in our District Sunday School Convention by our speaker, Dr. Stan Toler, about the Power of One. Another well known leader Michael Henderson proclaims that disciples are made one person at a time. If each one of us would begin by thinking about the one person that we could influence in coming to Christ and the church just think what a celebration there would be in heaven and each local church.

Now is the time to pray, plan and act as we move forward in the power of the Holy Spirit to reach people through personal and corporate evangelism, teach and disciple new persons God's call to holiness and celebrate a tremendous harvest for Christ and the church.

Again, let me thank you for the joyful privilege of serving with you for these two years. You have been so good to Genell and me. "We will always thank God every time we think of you and we will pray with joy because of your partnership in the Gospel until now...being confident of this very thing that He Who started a good work in you will complete it until the Day of Jesus Christ." (Philippians 1:3-5)

Respectfully submitted,
W. TALMADGE JOHNSON

2. District Sunday School and Discipleship Ministries Chairman

Dr. Johnson, Dr. Toler, members and friends,

The last words I remember hearing from Dr. Johnson, our good District Superintendent were, "Thanks for volunteering." I guess after being treated to the high life at Jim's Restaurant I wasn't thinking clearly. And, so, here we are.

I want to say "Thank you," to Danny Goddard for his outstanding leadership for the past seven years. He has challenged us and inspired us and his leadership skills will be greatly missed. We pray for the moving of the Holy Spirit on his new assignment.

I would also like to thank our good District Sunday School and Discipleship Ministries Board: Michelle Sackett (Treasurer), Brandon Wilson (CLT), Cheryl Seymour (Children's Ministry), Gaylene Stiles (Women's Ministries), Darin Weiszbrod (Men's Ministries), Eddie Stark (Adult/Family Life), Paul & Nettie Stroud (Prime Time Ministries), Linda Short (NMI President), Blair Spindle (NYI President), Brent Hardesty, Helen Wilds, Terry Davis, Chip Perkins, Kent Hubbard, and Donna Kesseee (Board Secretary).

A special thanks also goes out to Gwen Howard, the administrative assistant at Yukon First who stepped in and filled the void after Alice Andis (statistical secretary) passed away. Alice and her commitment will be greatly missed.

The Power of One

Helen Keller stated, “ I am only one, but still I am one; I cannot do everything, but still I can do something; I will not refuse to do the something I can do.”

To you the individual and to each individual church on the Southwest District I pray that you will not refuse to do the something you can do. To the world you may be just one person, but to one person you may be the whole world.

Stephen R. Covey has said, “I am personally convinced that one person can be a change catalyst, a “transformer” in any situation, any organization. Such an individual is yeast that can leaven an entire loaf.”

God is looking for each of us to be that Power of One that can help change our Sunday Schools, our churches, and people’s lives for all of eternity. Let me share two examples with you:

First, is Mrs. McGraw my fifth grade Sunday School teacher. She loved me, disciplined me and prayed for me, etc.

Second, is Gilbert who was my Sunday School superintendent in my first church. His love for people was never ending. He continually shared the gospel with people from all walks of life.

The purpose of Sunday School in the Church of the Nazarene is:

*To teach the word of God effectively until pupils are saved, sanctified wholly, and maturing in Christian experience.

*To help Christians grow spiritually by involving them in reaching, teaching, and soul-winning ministry.

*To locate and visit unchurched people until they become enrolled and regular in attendance.

Our responsibility as pastors, as lay people, as Christians is not only to see people converted, but to see them actually become growing, maturing, Spirit-filled disciples of Jesus Christ.

One person, one church can make a difference and every person, every church must try! I believe that with God all things are possible! I believe that God has plans for you and your church. Plans to give you a hope and a future.

I want to challenge every pastor, Sunday School Superintendent, teacher, helper on this District to be Spirit-filled, Spirit-led and you will witness what the Power of One can do. Every person can make a difference and every person must try.

Respectfully Submitted,
HARDY POWERS III

3. District NMI President

Dr. Talmadge Johnson, Lisa Lehman, members of the Council, Pastors, Presidents, delegates and friends:

I present to you my fifth report as your president for Nazarene Missions International of the Southwest Oklahoma District.

The NMI theme for this past year has been “**The Cross – Seize It, Share It – Speak It Boldly.**” In 2 Timothy, we are reminded “**For God did not give us a spirit of timidity, but a spirit of power, of love and of self-discipline. SO do not be ashamed to testify about our Lord.**” (2 Timothy 1:7-8) and “**I am not ashamed, because I know whom I have believed, and am convinced that he is able to guard what I have entrusted to him for that day.**” (2 Timothy 1:12) This year we celebrated our denomination’s centennial and from the beginning of the Church of the Nazarene, people have been sharing the message of the Cross with boldness. Phineas Bresee, the principal founder of our denomination, said, “**We are debtors to give the gospel to every person in the same measure we have received it.**” These are bold words. These are convicting words. These words remind us that we must be diligent in obeying our Lord’s command to go “to the ends of the earth.”

I am excited to share with you today our response to the challenge to share the message of THE CROSS with BOLDNESS. We have had a great year across the district for NMI. I can witness to you that God is so good and faithful as we service Him! Praise His name! The words of the psalmist in chapter 66 help me to convey how I feel as I share God’s goodness:

**Shout with joy to God, all the earth!
Sing to the glory of his name;
Offer him glory and praise!
Say to God, "How awesome are your deeds!"
All the earth bows down to you;
They sing praise to you,
They sing praise to your name."
Come and see what God has done,**

Psalm 66: 1-3a; 4-5a

So let us "Come and see what God has done" this past year.

Everything that we plan and do is focused on the NMI mission statement – "To mobilize the church in mission through prayer, education, giving and interactive experiences."

Prayer

—To encourage people to pray for all efforts of global evangelization.

Thank you for praying for our missionaries as they share the message of the Cross with a boldness that we may never be called to experience.

Every time we are privileged to hear one of our missionaries speak or receive emails from them, they remind us how important our prayers are for them. They are relying on our prayers, and it is vital that we are a praying people. During our convention last year Craig Sheppard—who served as a missionary with his wife Anita in Kosovo and Croatia—ask us to remember to pray for our missionaries. I remember that Craig shared that they are "afraid that we will FORGET about them." So I would like for you to do something—in your delegate's packet you will find a list of LINKS missionaries, active and retired missionaries for our district. I would ask you to select one or two missionaries from the list and faithfully pray for them this year. Even better—send them a note during this year and let them know that you are praying for them—that you have not forgotten them. What a blessing you will be to them!

Global Awareness

—To inform people of the world's needs and what the church is doing to meet those needs.

In October, we had our District Fall NMI Tour with Rev. Bob and Rosa McCroskey, missionaries to Indonesia. The McCroskeys shared with us the marvelous way God is working in Indonesia—men and women choosing to follow Christ at great personal cost. Rev. McCroskey shared how God was using the people's involvement in community activities and events—like sports and music—to open doors to share the message with BOLDEST. Thank you for your faithful attendance to the combined zone services across the district and for bringing your children and youth. We continue to see an increase in the number of youth and children that are attending the fall tour services. Thank you for faithful giving—you gave a combined deputation offering to the McCroskey's of over \$3,700! TO GOD BE THE GLORY.

We have increased our awareness of the world's needs with Faith Promise and missionary services in your local churches; by sending **220** Crisis Care Kits and School Paks; by serving at local compassionate ministries; by participating in the child sponsorship program.

Many of you participated in work & witness trips this year. Seven (7) people from our district participated in the "Commission Unto Mexico" trip with Southern Nazarene University. Our district NMI Work & Witness coordinator, Judy Nantze, provided two (2) opportunities for you—the first trip was to Sun Valley Indian School in the Fall and the other trip was to Port Arthur, Texas in the Spring to help repair churches and homes that suffered great damage from hurricane Ike. In both W&W trips, we have had a very good number of youth participation. The report of the trip to Port Arthur included this comment from a lady whose home was being repaired. ***"I am so blessed that someone would come to help. I am amazed that teens would choose to spend their spring break helping to clean up a dirty, water damaged area instead of going somewhere they could have a good time."*** Do not miss an opportunity to participate in W&W and to include our children and youth. YOU will be a blessing and YOU will be blessed!

Involve Children and Youth

—To challenge children and youth to learn about and participate in the mission of the church and to respond to God's call.

I just shared with you that our youth are participating in W&W trips. Here are other ways that they are involved in missions.

We are supporting six (6) college students from our district who are participating in Youth In Mission this summer. They are Devon Brown—Heritage Oakes Church; Mark Rains—Calvary Church; Caylee Retter—Trinity Church; Aubrey Thompson—Western Oaks Church; Sarah Whittenberg—Elks City Church; and Lauren Edmonds—Yukon Church. I am thankful that our college students will be experiencing missions first hand this summer. Please be praying that the Lord will enable them to SHARE the message of the CROSS in the countries where they will be serving.

Our district NMI Children's coordinator, Susanne Murray, lead our third annual district "Children's Mission Event." They came from across the district to Mustang Church for a **Children's Mission Fair** in April. This was a wonderful, first-class fun event for our district kids. **73 kids** had a fun time learning about being involved in missions. Susanne will share in more detail about this event later this morning, but I want to share a few highlights with you. The kids boarded an airplane and traveled to meet **15 real-life missionaries**. The missionaries that the kids meet have been and are still sharing the message of THE CROSS with BOLDEST around the world. When the airplane landed back home, they heard missionary, Norma Brunson, share about loving God and responding to Him. It will bless you when to hear how the children responded to the Lord through Norma's message. What an impact on our children's life's. Thank you to Susanne—and her helpers: Kelly Griffith and Kym Drabenstot—for coordinating this fun and interactive event for our children.

Your district NMI council is FOCUSED on involving children and youth in missions. We are praying that every local church will join with us to FOCUS on our children and youth!

Giving

—To raise funds for missions outreach.

Thank you for being a generous people who give sacrificially so the message of The Cross can be shared with **boldness** around the world through the Church of the Nazarene in 157 areas.

As I reviewed the latest report for our district's participation in giving to the WEF and NMI Approved Specials, I was overwhelmed with thanksgiving for your generosity and love for others. THANK YOU! Here are a few highlights.

Our LINKS assignment was \$1,050. To date, you have given \$3,270 to your LINKS missionaries. On top of the regular assignment amount, you have remembered them with Christmas, birthday and anniversary gifts. May God richly bless you for giving in this personal way to our missionaries.

AND you gave \$28,365 to Alabaster; \$41,614 to Compassionate Ministries; \$19,867 to deputation funds and \$55,382 for other approved specials like Jesus Film, Health Care and more. The total for **Approved NMI Specials** giving is **\$145,228**. TO GOD BE THE GLORY!!!

WORLD EVANGELISM FUND!

We have **50** churches that have paid the World Evangelism Fund in full.

We have **20** churches who will receive the Award of Excellence this year by paying at least 3% over their World Evangelism Fund. Thank you for giving above what was asks so that our missionaries can share WITH BOLDEST the message of THE CROSS in new vil-lages, towns, cities and countries.

As of this date, you have paid **100%** of the WEF – **\$418,571**. PRAISE THE LORD! Our total 10% Giving is OVER \$564,000+!!!! THANK YOU! THANK YOU! TO GOD BE THE GLORY!

If your church has been faithful to pray for missionaries, become globally aware of needs around the world, involve your children and youth in mission and give so that others will hear, you are a Mission Priority One Church. We have **33** churches this year that will receive the Mission Priority One award. THANK YOU! Because of all that you do in your local churches, it has been another great year on the Southwest Oklahoma District for missions.

I serve with an amazing group of women and men that our passionate about missions and faithfully serving their Lord. **Council members as I call your name please stand and remain standing.**

Dr. Talmadge Johnson and Genell – thank you for your support and prayers this year. Because of Dr. Johnson’s passion for missions and his leadership, we have paid our WEF 100% again this year.

I am thankful that God has blessed me with a loving and supportive family – Rick, my children and grandchildren are gifts from God.

This year we will be emphasizing **“The Cross – Take It Global!”** We will continue to pray, learn, give and involve all ages in missions so that the message of John 3:16 – 17 can be shared around the world. **“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him.”**

I close my report with words written by Larry and Phyllis West, our missionaries serving in Indonesia:

IMAGINE!

Imagine how it feels to live in a world where \$3 is a good day’s wage.
Imagine living where dropping out of high school, junior high, even elementary school is a financial necessity.

Imagine a month’s tithe at \$10 a month.
Imagine these same people giving to the WEF. They do.

Imagine the difference your involvement in WEF can make.
Imagine a place where believers are few and churches nearly impossible to build.
Imagine the WEF preparing young people for working in new ministry paradigms.

Thank you for lifting your eyes to see the big picture.
Thank you for praying for the millions.
Thank you for giving to WEF.

Imagine us (West & East) as one big unified team. WE ARE.
Imagine all serving with passion to answer the Great Commission call.
Imagine the resulting joy.

3. District NYI President

This is the NYI President's report for Assembly Year 2008-2009. We had another positive year with many unforgettable moments made and lives changed. Here is a quick recap:

NYI Convention: Over 72 gathered and were trained at Norman Community in Heroic Faith. This seminar challenged us to work hard to rescue a world that is in distress. We also had a great afternoon at Hey Day playing mini-golf and laser-tag. At the Convention, General Assembly delegates were elected as well as President and Vice-President for a term of two years which is why we aren't having those elections this year.

Camp was exciting and highly caffeinated. Our theme was "US - A New Blend" and the coffee shop was a big hit. We won't forget the way God moved in the services through Jon Newlin and Bryan Powell and the band. Students were drawn into worship. Whole youth groups met at the altar and dealt with serious issues in their lives. Christ was very real both in the services and in our times of play. The Mountain Bike Mystery was a blast, but we learned that you can't take pictures, ride your bike, and cross a sidewalk at the same time without blood. We had over 250 people at camp from 20 of our churches. This year our theme is "Stories" – and yes we will have our 1' back. Gabriela Rodriguez from Adoración will be our special speaker and she is one of the best story tellers I've ever heard – she makes Scripture come ALIVE! Leaving 99 will lead us in worship and we're excited about it. On Thursday night this year – we will be having the largest outdoor party we've ever had in SWO history. You won't want to miss it!

Camp-In at Salyer Lake: We had close to one hundred teens and sponsors sleep in tents, play laser tag, eat, worship, rappel, fish, boat and do whatever at Camp Meeting this year. It was a good time even if a girl got a hair cut suspended in thin air.

Turkey Bowl was another success even though it was MISERABLY cold and windy in the morning. 14 Teams showed up. Everyone got plenty of playing time. Trinity 1 won the championship. This year we had teams from ALL four districts in Oklahoma! (Choctaw in Southeast, BFC in Northwest, Family Church in Northeast).

Quizzing saw some transition as Cheryl moved on (she was so good and we appreciate her work) but Sheila (Calfy) Swanner agreed to take over and things have gone smoothly. Thanks to Sheila for her hard work!

Youthfest Reinvented was led by Brett Armstrong. Though we didn't have as many teams as we'd have liked, we had a great Quizzing meet and Boys (with girls included) Basketball tournament. New Life won the basketball tournament. Thanks to Brett for pulling this thing together.

Extravaganza is coming in a few weeks. We're hoping for a good showing during Memorial Day Weekend.

Thanks for your support this year and we're excited about all that God has for us in the days to come.

Respectively submitted,
BLAIR SPINDLE

C. ASSEMBLY COMMITTEES

1. Finance Committee

We, your committee on Finance, commend our pastors and people for sharing so unselfishly in the needs of the Church of the Nazarene on all levels: general, regional, district and local.

We submit the following recommendations to the District Assembly for adoption.

1.0 *Shares for Others:*

We recommend that the *Shares for Others* be paid on the 10-month payment plan, with the first payment due June 15, 2009. We encourage active promotion of the Thanksgiving and Easter offerings along with a Faith Promise campaign to underwrite the World Evangelism Fund.

Further, that consideration be given by each local church to systematically tithe, weekly or monthly, the regular income of the church and that these funds be sent to the district office for payment of district unified shares and education fund for SNU. The Pensions and Benefits Fund may be paid on the 10-month plan or with special emphasis offerings to meet the total allocations.

1.1 The Unified Fund is one fund, inclusive of District, Salyer Lake, SDMI, NMI and NYI. It also represents a 1% decrease in the total compared to last year. Allocations will be distributed to Department Treasurers.

1.2 We recommend that the *Shares for Others* base continue to be Column 8 minus columns 1a, 1b, 1c and 2, and that credit be given from column 8 as follows:

<u>Raised for all Purposes</u>	<u>Credit</u>
\$ -0- to \$99,999	= \$4,000 credit applied to <i>Shares for Others</i> base
\$100,000 and above	= no credit to the base

1.3 That no church's *Shares* be increased more than 20% above last year allocations.

Shares for Others

District Unified Shares	17.75% of base
Education Share	7.00% of base
P & B Share	4.00% of base
WEF Share	15.00% of base
